

LOOKING FOR PHYSICALLY OR MENTALLY COMBAT WOUNDED WARRIORS

**The Purple Heart Project is a U.S. 501(c)(3),
Veteran Service Charity. Our mission is to
introduce physically and mentally combat
Wounded Warriors to the joy and peace that can
be found through the therapy of traditional hand tool
woodworking**

**Purple
Heart
Project**

**Each year we select about a platoon
of combat Wound Warriors for an all-
expenses paid scholarship to learn
hand tool woodworking that is life
changing. In addition to training,
selectees receive a full handtool kit, a
custom-built workbench and
continuing support when they return
home.**
